

But it seems that Congressional interest can have a catalyzing effect on Foggy Bottom. At hearings last Tuesday before the House International Relations Committee, William Burns, Assistant Secretary for Near Eastern Affairs, disclosed that Mr. Powell has now raised the issue with the Saudi Foreign Minister and that he himself brought it up with Crown Prince Abdullah 10 days earlier, on the eve of the Government Reform Committee's hearings.

But Mr. Burns continued to define the issue as a custody dispute. And his remarks suggest that State still refuses to treat this as a state-to-state issue, in favor of a touchy-feely approach about "keeping families connected." This is a long way from "Perdicaris alive or Raisuli dead"—Teddy Roosevelt's tart reaction when a Berber bandit chieftain took an American hostage in Tangier.

In a TV spot running under the title "Allies Against Terrorism," the Saudi government urges Americans to "listen to America's leaders" when it comes to the "facts" about the country that spawned 15 of the 19 September 11 hijackers. It features President Bush vouching for how the Saudis have been "nothing but cooperative." This is their chance to prove it.

HONOR OF MABEL BROWN SCHINE

HON. NANCY PELOSI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2002

Ms. PELOSI. Mr. Speaker, I rise today to pay a final tribute to the magnificent life of Mabel Schine. Mabel passed away recently in San Francisco after a lifetime of community service and leadership. We are very grateful for her distinguished career and her inspirational life, and we will miss her greatly.

As a dietary expert at San Francisco's Mount Zion Hospital, Mary's Help Hospital, and the Jewish Home for the Aged and as the City's first African American District Health Director, Mabel demonstrated her remarkable talents as a dietician and as an expert advisor during her thirty-year career.

Her service to the City of San Francisco included work for the Economic Opportunity Council and Model Cities Program and on the Citizen's Advisory Committee for Mayor Feinstein's Office of Community Development. She served as Treasurer of the San Francisco Black Leadership Forum and was actively involved in San Francisco politics.

Following her retirement, she continued to serve her community at Bayview Hunter's Point Senior Health Day Care Center, Bayview Hunter's Point Boy and Girls Club, and as President of the San Francisco Sickle Cell Disease Foundation. Her service also extended to Contra Costa County where she led non-profit boards, ran government commissions, and tirelessly and eloquently advocated on behalf of the black community.

To her husband Lloyd Schine, her daughter Marvin Jean and her son Lloyd Jr., her sisters, her grandchildren and her many dear friends, thank you for sharing Mabel with our City and our community. I hope it is a comfort to you that so many people share your grief and honor her memory.

TRIBUTE TO PHILIPPINE INDEPENDENCE DAY AND THE FILIPINO AMERICAN COMMUNITY COUNCIL

HON. DAVID E. BONOIR

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2002

Mr. BONIOR. Mr. Speaker, today I rise to recognize the Filipino American community of Michigan, who celebrated the Philippine Independence Day on June 22, 2002.

On July 4 of 1946 the Philippines gained its independence. Since that glorious day, the nation has endured many hardships but has continued to persevere. The Philippines and its proud citizens are entering into a new era of political, social, and cultural growth. They possess a focused vision of their future and will do all they feel is necessary to ensure prosperity.

The relationship between the United States and the Philippines is strong and growing stronger. Today, the United States is enriched by the many Philippine Americans who have made this country their home. As the second largest Asian group in the United States, Philippine Americans are making their mark, serving as hard working members of the civic, business, and professional communities. They have made major contributions to nearly every facet of American society.

As Michigan is home to a thriving Filipino American community, we have the opportunity to recognize the accomplishments and contributions of a fabulous people. The Filipino American Community Council's KALAYAAN 2002 Picnic and Pistahan attests to the wealth of the culture we have developed here in Michigan. With food, music, cultural performances and dances, the spirit and enthusiasm of the Philippine American community of Southeastern Michigan is very strong. The Philippine American community truly adds to the wonderfully diverse American culture by sharing with us their customs, traditions and beliefs. They have been such an invaluable asset to our great state.

Mr. Speaker, I join the people of the Philippines, those of Filipino ancestry around the world and Filipino Americans in Michigan celebrating Independence Day. I salute all of them for the tremendous contributions to freedom and human dignity which they have made.

PAYING TRIBUTE TO GEORGE CURRIER

HON. SCOTT McINNIS

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2002

Mr. McINNIS. Mr. Speaker, I rise today to pay tribute to a man who has spent the last six years in the dedicated service of his community of Collbran: George Currier. George is a great Coloradan who has given of himself countless times during his term on the Collbran Board of Trustees. His knowledge and love for the community, as well as his vision for the future, have made him an invaluable resource to the whole town.

George Currier was born and raised in his beloved Collbran. His family was in the ranch-

ing business during his childhood; and while they would leave town every winter to ranch their cows in the Appleton area, George and his family would return with the nice weather: Collbran is George's home.

During George's time on the Board of Trustees he has overseen numerous improvements to the community, including the construction of a new town hall. But more important than the physical development that has been undertaken during his watch, George values the many Collbran town employees with which he has worked closely during his six years of service. However, George's efforts to better his beloved hometown have not been limited to his service in town government: George, his wife Nancy and their three children remain active in the Collbran community.

Mr. Speaker, it is with pride that I bring to the attention of the body of Congress the accomplishments of a man whose love for his hometown, and whose desire to improve his community, is an inspiration to his friends and neighbors alike. A public servant in the truest sense of the phrase, George Currier's time on the Collbran Board of Trustees has been a fine example to all of us who serve our nation in elective office. With appreciation, I echo the praise George has received from his friends and neighbors in Collbran and salute him for his six fine years of service to his community.

HONORING UPS EMPLOYEE ALLEN "CHUCK" BITTNER

HON. GARY G. MILLER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 27, 2002

Mr. GARY MILLER of California. Mr. Speaker, Chuck Bittner started with UPS back in 1966 as a Package Car Driver delivering mail to the businesses and residents of the Inland Empire in Southern California. After 25 years of safe driving, drivers are inducted in UPS' Circle of Honor, which is the highest honor awarded to Package Car Drivers. Chuck not only achieved that illustrious accolade but was also recently honored for a staggering 30 years of safe driving by his Center Manager. With 30 years behind the wheel and not a single traffic mishap, Chuck has truly accomplished something special. The people of Southern California owe Chuck, and other delivery drivers like him a debt of gratitude for keeping our roads safe. Despite this impeccable driving record, Chuck says he will probably retire in the next year. He will certainly be missed as he and his truck have become a familiar and reassuring sight in the Southern California neighborhoods.
